

Did you know,
TOPCertifier clients with
ISO certification have
seen an increase of over
45% in their revenues
over the last 2 years ?

About us

TOPCertifier, (a division of Veave Technologies) is a consulting firm providing Business Advisory, Training, Process Consultation and Certification services. We operate in over 40 countries and have more than 150 consultants and auditors servicing our clients around the world.

We focus on practices which could increase your bottom - line than just sticking to standard guidelines. All our customers have reported increase in sales , brand recognition, employee retention and as a result increased profits due to our certification services.

We have successfully executed over 9000 projects. Our consultants and auditors come from many different backgrounds and are united by a set of shared values. They deliver certification, with simple documentation with minimal efforts from the customers side.

We handle end - to - end turnkey projects. From advising what certifications would give you maximum return on investments , which certification body to choose , gap analysis, documentation, training, internal audits and organize external audits. We are your one-stop solution provider.

Director's Statement

Our emphasis is on adapting to changing environments, enabling us to meet our clients' expectations. By focusing heavily on developing and empowering our people, we are confident we will continue to be relevant to the issues at hand and provide practical insight to help businesses and organizations to navigate through changing environments.

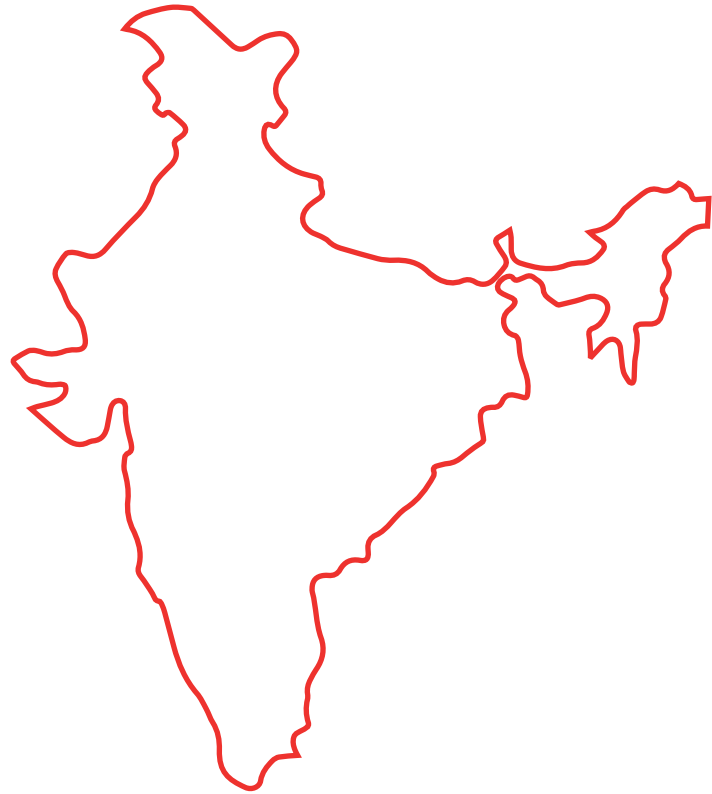

Vijay Boregowda

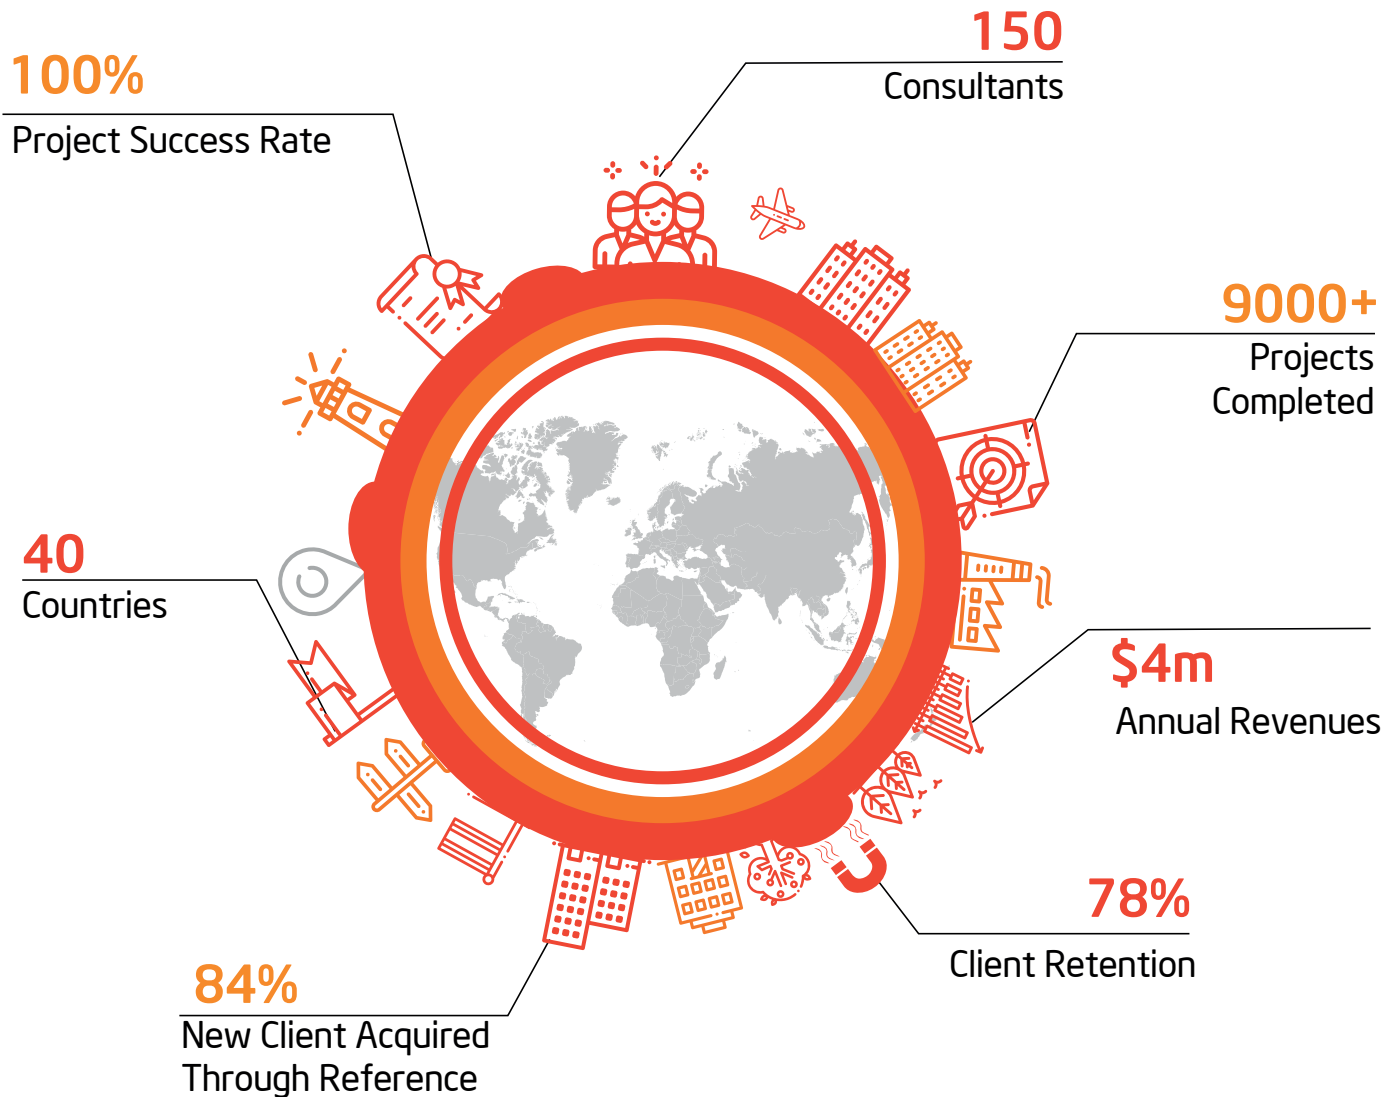

Director

TOPCertifier in INDIA is established as Veave Technologies Pvt. Ltd. The firm has operated in the country since 2008. This early commitment to the India market, together with our unwavering focus on quality, has been the foundation of our accumulated industry experience, and is reflected in our appointment by some of the country's most prestigious companies. TOPCertifier has over 3000 clients across Bengaluru, Mumbai, Pune, Chennai and Hyderabad.

As Indian businesses join the global economy and international companies seek to enter India market, TOPCertifier's blend of international expertise and local knowledge makes us well positioned to serve our client in this increasingly complex, but exciting market.

TOPCertifier Global Drive 2024

Why Work With TOPCertifier ?

Over two decades of consulting experience, we have completed over 9000 projects in 30 different standards across 40 countries. We focus on continuous improvements and with the right practices implemented, certification is just a by product. All our consultants are certified lead auditors and industry experts.

- Simplified certification process
- Minimum Documentation
- Focus on training and improvements
- Post Certification Support
- Regular visits to ensure compliance & support during surveillance audit
- End to End responsibility
- One stop solution for consulting, training, audit & certification

Our services and expertise span across various industry segments, with majority of our clients from ITI, ITES, Manufacturing, Government and Services. Our services include product and corporate certifications across & over 30 standards. Apart from consulting and certification, our experts deliver high quality services in application development and support, Information Security Services, Digital Marketing, Training and Staff Augmentation.

INDIA Clients

Client Testimonials

The TopCertifier team's help with the SOC2 compliance process is appreciated, and I thank them for it. at each stage, they were supportive and accommodating. They have knowledgeable staff members who were able to understand our business requirements and help us improve our security controls. TopCertifier is a top recommendation for SOC2 compliance.

Prakash Thangavel

We have enjoyed working with the team who hand held at every step of the process. I thank the team at TOPCertifier for making the certification process so simple and hassle free.
